

## LTH-M201-TS Touch Screen

### Key Feature

- 4" Touch Screen
- Unlock via Pin Code / Card
- Contact List
- 480x480 Resolution
- IP65, IK8
- Advertisement display

## Specification

System Parameters	
Processor	Embedded MCU processor
Storage	128 Mb
Flash	32 Mb
Display Parameters	
Screen	4" IPS Touch screen
Resolution	480 x 480
Card Reader (Mifare)	13.56Mhz
Reader Distance	2cm
Interfaces	
Module Connections	2 (1 input, 1 output)
Power Input	12 VDC (from another module)
Power Output	12 VDC (from another module)
Physical Buttons	4 (up, down, OK, back)
Debugging Port	1
General	
Power Consumption	≤10 W
Working Temperature	-4° to 140° F (-20° to 60° C)
Working Humidity	10 to 95%
IP Protection Level	IP65
Installation	Flush and surface mounting
Dimensions	(100 mm x 100 mm x 35 mm)

## Appearance and Interface
